

A mysterious vision of a boy forces Alexandria Aidan to flee her burning childhood home and embark on an unassuming, perilous journey of fate. But as Alexandria pieces together her countrys heritage and the secrets of those around her, she encounters devilish creatures from a sinister organization and spars with lucid dreams that threaten to tear her into shreds. Enter the world of the Ardentai Xighani. Following her visions, she learns of the Ardentai Xighani-a small army of warriors destined to defend the world from the impending Armageddon. Along her journey to reach them, she meets allies with otherworldly abilities that are bound to her visions. Together, Alexandria and her companions wage a silent war against the forces of darkness . . . while the fate of humanity hangs in the balance. Will she survive?
