

Pages are three-hole punched and in a small, white binder. Disc is in a plastic sleeve at the front. The motto of Designers Gallery is Embroidery Made Easy! The Designers Gallery team includes quilters and sewers who regularly use embroidery software, and they have very carefully designed QuiltWorks to be easy, practical and fun. Because software manuals are sometimes difficult to read and follow, the manual has been made into more than just a how to run the program guide; it will help you translate traditional techniques into machine embroidery for speed, repeatability and ease of use. The layout is separated into several sections, each with a different approach. The aim is to get the user quickly to the information they're looking for. Illustrated with line drawings and screen shots which -- with the accompanying text = extra user friendly.
