

Perfecting the Dance offers the intimate counsel and refreshingly candid voice of a good friend as it shares practical and inspirational life-lessons. Gain new insights about yourself and your relationships while exploring various topics, such as people-pleasing, parenting, friendships, partnering, love-lessons, forgiveness, and how to discover and pursue your life's purpose. But this isn't a book about perfection—it is a book about perfecting. It is about constantly discovering something new about yourself while uncovering new ways to approach life's twists and turns. And it isn't a book about perfecting the dancer. It is a book about perfecting the metaphoric dance—navigating your way through life's changes and challenges and learning how to transcend them through greater love, faith, and courage. Be enriched by these lessons about life and love that are essentially dance-lessons—powerful, practical reminders about how we can keep on dancing with life as it comes our way.
