

What can be more delightful than a rhinoceros giving rides to baby animals in the jungle. This is an extremely funny book that tells the story of Riley the Rhinoceros who happens to be the jungle bus. He ferries baby animals around the jungle and takes them home. But listen to what he says when the other animals beg him to take them as well. Will they get a ride on the jungle bus?

Ni me explico ni me entiendes (Spanish Edition), Ultimate Guide to Dogs (Ultimate Guides), Climate and Environmental Systems, Ginn Extension Reading: Wesley and the Dinosaurs (Ginn reading), Wage-price Standards and Economic Policy (AEI studies),
