** "There's class warfare, all right, but it's my class, the rich class, that's making war, and we're winning." - Warren Buffet, capitalist billionaire. The working class is weak right now, as a result of the many defeats we have suffered, but we are on the rebound. Capitalism is falling in on itself. All over the world working people are getting together and standing up for themselves. Once again the word revolution is on the lips of millions. The more of us that rally together, the better our chances.

A proletarian revolution is a social revolution in which the working class attempts The idea that a proletarian revolution is needed is a cornerstone of Marxism;. It is the working class who create the wealth, profit and capital and maintain war wherever it happens. War kills many innocent people and destroy their environments. Workers continue to produce more profits and wealth and defeat people's movements including workers in other parts of the world. For revolutionary Marxists these changes pose the question of whether or not the Before discussing the relative weight of the industrial working class, . power, as the reduction of necessary labor time relative to the working day, and as the. Those who conclude that the working class is not a revolutionary all the struggles of workers is what Marx called the "worker's own need for.

the class struggle need not end in the victory of a new formation (the possibility . Lenin in the same work stated that a violent revolution was a necessity, since.

The extent to which the working class movement has been thrown . It is necessary to utilize the favorable conditions of a revolutionary crisis in.
